NO aerosol cans (pump only)

NO secular reading material, magazines, puzzle books, etc.

Shalom Recovery Center requires the following medical tests before being accepted: HIV, VD, and Pregnancy. These can be obtained at the Health Department.

If you are on any medications, make sure you bring one month and have two month's refills available. If you have any court dates set for the time you are in Shalom Center, please make sure your attorney postpones it until you graduate the program and we will send a letter stating you are in treatment here once you arrive.

Also, please bring driver's license or picture ID and social security card with you.
